

Granby & Sutton News *Extra*

Spring 2021.

www.granbycumsutton.org

Hello everyone.

We hope that you are all well and we wanted to update you and bring to your attention a few items.

Village Clean Up

We have not been able to hold a village clean up for a long time. We are very grateful to those villagers who have been out regularly picking up litter during the past year. However, during the period of May 28th- June 13th, Streetwise Environmental will be working with the Council and local community groups to support the **Great British Spring Clean 2021**. We would like to hold our first tidy up within this window and we have on loan lots of litter pickers. We are proposing to meet outside the village hall on **Saturday June 12th at 10.00-12.00** for an organised Clean Up which could be litter picking, weeding, sweeping, trimming and any other jobs which need doing. Please come if you can and bring any useful tools with you. We will provide gloves and black bags.

The litter pickers, gloves and bags can also be borrowed at any time if you and your family fancy spring cleaning. Please contact Julie on 07469 241 355 to borrow some.

In addition, we would be grateful if you would please ensure that your garden foliage is not obstructing footpaths -thank you!

The Coffee Morning is back!

Now that Covid restrictions are finally easing, we are delighted at last to be able to have a Coffee Morning. Please come and catch up with friends and neighbours at the village hall on **Saturday July 3rd 10.00-12.00**

Church Services are back

There will a Holy Communion on **Sun June 27th 10.30** All Saints' Church, Granby.

This will be taken by the Reverend David Milner of Granby. Everyone welcome.

Vacancies

Parish Councillor Vacancies

Your Parish Council needs you!
Are you interested in your local community and would you like to make a positive contribution to it?

If so Granby-cum-Sutton Parish Council is looking for two more councillors.

The Parish Council has responsibility for maintaining local services such as the village hall, play & outdoor gym areas, cemetery, churchyard, defibrillators and village greens. We are invited to comment on planning applications within the Parish. We lobby and work with Rushcliffe Borough Council and Nottinghamshire County Council on items of importance to our Parish, such as rural bus services and, more recently, speed signs. From time to time, we work with other groups to facilitate parish events, often tying in with national events.

If you are interested in Parish matters, are willing to help with existing responsibilities and perhaps have fresh ideas for the parish then we'd be delighted to hear from you.

Meetings are the second Thursday of each month except August and start at 7.30pm.

For more information, please contact the Parish Council Co-Chairs:

John Daw Tel: 01949 851212 or Erika Humphreys Tel: 01949 850239

Please leave a message and they will be in touch.
