FOOTPATH FP1

Green Lane to Moor Dyke
1.26km

Footpaths are marked with **YELLOW** arrows and **ONLY** walkers can use footpaths.

Enter FP 1 through the pedestrian gate on the right at the end of Green Lane signposted Wells Hill Farm, and immediately turn left along a short wooded path.

At the end of the wooded footpath, go through the pedestrian gate and turn diagonally right, downhill, towards and through the second gate from the bottom of the hill, following the footpath marked with yellow topped posts.

Pass through the pedestrian gate and once through the tunnelled hedge into the next field, keep to the left.

Continue beyond the corner post and over a bridge across Moor Dyke.

A clearly marked footpath through the crops leads to a pedestrian gate at the parish boundary where another footpath continues to Whatton.
